AIMS

At Butterknowle, Frosterley and Woodland Primary Schools, we aim to:

- Develop an ethos in which bullying is unacceptable
- Put in place systems of identification and support to deal with bullying issues
- Create a safe and secure environment where all can learn without anxiety
- Respond quickly and consistently to any bullying incidents
- Make all those connected with our school aware of our zero tolerance of bullying
- Make clear each person's responsibility with regard to the eradication of bullying in our school

INTRODUCTION

At The Dales Partnership we believe that every child has a right to:

- Receive respect from others and give respect to everyone
- Speak and be listened to
- Have the freedom to choose
- Be safe and secure

Staff, parents and governors work together to nurture an ethos and follow practice where conflict can be resolved constructively so that everyone belonging to The Dales Partnership schools can feel secure and happy within the school environment. Bullying will not be tolerated. It is everyone's responsibility to prevent occurrences of bullying and to play their part in dealing with incidents quickly and effectively.

DEFINITION

Bullying can be described as any behaviour that is deliberately intended to hurt, threaten or frighten another person or group of people. It is usually unprovoked, persistent and can continue for a long period of time. It always reflects an abuse of power.

The three main types of bullying are:

• Physical

This includes hitting, kicking, scratching and the taking or deliberate damaging of property.

• Verbal

This includes name calling, insulting or discriminatory remarks (racist, sexist, homophobic, biphobic or transphobic), teasing, threats and extortion or sending nasty notes, text messages, emails etc.

• Indirect

This includes ostracising or the spreading of nasty stories about someone and social exclusion of an individual.

Racist, sexist, homophobic, biphobic or transphobic harassment involves the same kind of behaviour directed against someone because of their culture or identity, their gender, gender identity or sexual orientation.

STRATEGIES FOR IDENTIFYING BULLYING

Bullying can be difficult to identify because it is often subtle, covert and rarely witnessed by adults. However, some of the warning signs can include:

Individual signs

- Torn clothing and damaged books
- Sudden mood swings
- Loss of belongings
- Requests to be accompanied to and from school
- Bedwetting
- Nail biting
- Nervous tics
- Sleep walking
- Flinching
- Underachievement
- School refusal
- Temper flare ups
- Physical marks
- Avoidance of certain days
- Psychosomatic illness

Whole school signs

- Graffiti
- Frequent name calling
- Poor attendance
- Pupils appearing to be afraid
- Social exclusion
- Pupils being alone at break times
- Pupils not willing to approach adults

STRATEGIES FOR DEALING WITH BULLYING

At The Dales Partnership there are five key principles that underpin our procedure for dealing with bullying. These are:

- Never ignore suspected bullying
- Don't make assumptions
- Listen carefully to all accounts
- Adopt a problem solving approach
- Follow up shortly after the intervention and some time after to check the bullying hasn't resumed

As schools we play a proactive approach in promoting good relationships through our ethos, pastoral work and our PHSCE curriculum. We hold anti-bullying events on a regular basis. We also welcome visitors to lead assemblies who might offer support to victims of bullying, e.g. NSPCC. The schools have achieved the Educate & Celebrate best practice school award for LGBT+Inclusion , which supports anti-bullying work.

Staff and pupils play a part in promoting anti-bullying.

Our lunchtime supervisors report any sign of bullying or associated behaviours to the Senior Leadership Team.

If, on any occasion, bullying is suspected of taking place the following procedures

should be adhered to:

- Discuss the incident with the victim
- Identify the accused bully/ies
- Obtain witnesses if possible
- Advise the Senior Leadership Team
- Confront the bully/ies to investigate
- If allegations are substantiated implement sanctions appropriate to the incident
- Inform the parents of the victim and the bully of the details

WORKING WITH PARENTS

At The Dales Partnership, we believe in the importance of working in partnership with parents. As such, we ensure that our staff understand the value in meeting and communicating with parents regularly to discuss any concerns. Parents should make contact with the class teacher initially whenever they have any concerns. The class teacher may decide to involve colleagues in any discussions depending on the nature of the concerns.

When responding to parents, it is important to listen to and write down concerns raised. In order to prevent a misunderstanding, staff are encouraged to read back any concerns as they understand them. Parents should be reassured and explained that an investigation will take place. Under no circumstances should a parent be informed of an outcome prior to the member of staff investigating the incident(s).
