## Spending Plan for Butterknowle Primary School

CATCH-UP PREMIUM SPENDING			
Amount of allocation for 2021/22 academic year:		£1630	
<p>Key Stage 1 and 2</p> <p>Missing such a large chunk of learning has had an impact particularly in terms of social and emotional development.</p> <p>For this reason, we chose to use the funding to help pay for extra teaching time so that Y3/4 and Y5/6 could be taught separately every morning for English and Maths.</p> <p>NB: we have also used the school's tutoring funding allocation and PP towards this.</p>			
Actions:	Desired Outcome:	Cost:	Baseline data:
It is proposed that the funds made available are used to employ a teacher for two extra mornings providing intensive support.	This should enable KS1 and KS2 children learners to rediscover their potential and to catch up on lost learning skills.	£1630	In school data
