Important—Winter Weather

At Woodland we always try to keep the school open for pupils if it is safe to do so. Unfortunately sometimes as you know this is not possible. However if we do need to close we will try to make the decision as early as possible so that parents can make arrangements.

We will email parents and will also put a message on the school website and the Durham County Council site, if we need to close. Please make sure that we have your up to date contact details.

As you know the children love playing outside in the winter, so please could you send coats, hats, gloves, scarves and suitable footwear for them each day to stay warm and enjoy playing out at Woodland. Thank you.

Recycle Your Small Appliances

Woodland School are taking part in the small electrical recycling scheme. If you have any small appliances such as irons, phones, kettles, toasters, hairdryers, straightener, games equipment they can now be recycled through school.

We also have a battery recycling facility in school. You can send in any used batteries and once we have filled the cylinder, they will be collected for recycling.
