## Online Activity and Technology

In school we have strong filtering systems and always work with the children about online safety and appropriate behaviour online and using technology. If you need any support and advice to ensure that children are safe online, there are resources you can access.

## Healthy Packed Lunches and Snacks

A reminder that packed lunches should provide a balance of healthy food from the different food groups with a small treat as part of a balanced meal. Snacks for school should also encourage healthy choices.

## No Smoking on the Premises

Just a reminder that the school and the school grounds are a non-smoking premises and in line with Durham County Council's policy, this includes vaping. We would ask that parents and carers to not vape or smoke anywhere on the school grounds. Thank you.

## Library News

We went to the school library in our first weekly library session. The children were really excited to choose their brand-new Reading Spine books.

The cover has cross hatching on the picture.

I chose this book because cats are my favourite animal.

Amazing Grace  
tries to be a  
doctor, a  
gardener and a  
pirate.
