This is a summary of how our school delivers music education to all our pupils across three areas – curriculum music, co-curricular provision and musical experiences – and what changes we are planning in future years. This information is to help pupils and parents or carers understand what our school offers and who we work with to support our pupils' music education.

Part A: Curriculum music

This is about what we teach in lesson time, how much time is spent teaching music and any music qualifications or awards that pupils can achieve.

Throughout the Dales Partnership, we have built a music scheme based on units from the Charanga Music School subsidised with BBC ten pieces and Royal Opera house resources to ensure that our children have access to a range of music across different genres, alongside opportunities to take part in live lessons to enhance our music offer. The Schemes used provide teachers with week-by-week lesson support for each year group in the school. It is ideal for specialist and non-specialist teachers alike and provides support with lesson plans, assessment, clear progression, and engaging and exciting whiteboard resources to support every lesson. The Schemes used support all the requirements of the national curriculum. Each class receives timetabled curriculum music of up to 1 hour per week. In line with the curriculum for music and guidance from Ofsted, our planned Scheme moves away from the previous levels and learning

objective/outcome concepts to an integrated, practical, exploratory and child-led approach to musical learning. Key stage 2 children in each school have access to the first access programme from Durham Music Services learning either recorder or violin.

Part C: Musical experiences

This is about all the other musical events and opportunities that we organise, such as singing in assembly, concerts and shows, and trips to professional concerts.

Across the dales Partnership we provide our children with a range of musical events and opportunities for our pupils.

Currently Key stage 2 children in each school have access to the first access programme from Durham Music Services learning either the recorder or the violin. This gives the opportunity for pupils to continue their learning by taking up the instrument through additional music lessons through Durham Music Service.

Throughout the schools the children have the opportunity to appreciate music through:

- Christmas songs/performances
- Exposure to a variety of musical genres through our Assembly Programme
- Music workshops
- PE – dance unit, warmups and cool downs during each lesson
- School discos.
- End of term assemblies

Each term we look at a focus piece of music which the children throughout the school can access and discuss at an age-appropriate level.

In the future

This is about what the school is planning for subsequent years.

It is our aim that from September 2025, we will continue with and expand on the variety of musical visits and experiences which we provide to our pupils. We aim to set up a school choir who can perform termly for the pupils, staff and parents.
